The silent and live auctions were a great success and lots of happy people took home some fabulous baskets filled with everything donated by our auction donors. Thank you to all our guests, sponsors, supporters, volunteers, CSUF students, volunteers and Aimee for contributing to and creating our successful event . We couldn't have done it without each and everyone of you!

**Toys for CHOC**

Grants Wishes has been making toy deliveries to CHOC and their clinics since 2003. We service more than fifteen treasure boxes. Children and teenagers select a toy from the treasure boxes following a procedure to help redirect their attention to something fun and exciting.

We have collection boxes throughout the community. McPherson Magnet School in Orange, Anaheim Hills Elementary, Hephatha Lutheran Preschool and Wagner Elementary have been collecting toys for us and along with KD'S Donuts. This past June, Girl Scout troop 1315 from Running Springs Elementary earned their Bronze award by collecting small toys for

our treasure boxes. The girls had a huge success in collecting toys all year long and in June we went to CHOC and delivered the toys. The girls were so excited that they have decided to continue with collecting toys as their service project for their troop. This year, Rachel an 8th grader from Travis Ranch Middle School in Yorba Linda has started a collection drive within her leadership program the WEB and is going to be collecting teenage items, children and infant toys for Grants Wishes. Our boxes could not be filled without the help of these young kids helping other kids that are in need. It fills us with pride to have such great young leaders in our community.

We would love for your organization or office to sponsor a Toys for CHOC drive. If you would like to host a drive please feel free to contact us for additional details. Our boxes are always in need.

**Items that are needed:** Everything must be new & unused including, Happy Meals Toys in their original packaging, play dough, coloring books, crayons, small toys, nail polish, board games, Legos, reading books and \$5 gift cards. Their friend, Bart was 17 years old when he lost his cancer battle after 4 years of treatments on March 29, 2004.
