We grant wishes when they need it the most when the cancer comes back. Every pediatric oncology patient is referred to us by a member of the pediatric oncology team, having recurring or long term cancer and must have already received a wish from another organization or do not qualify for one from any other wish organization. Wishes solely benefit the wish child. We currently serve Children's Hospital of Orange County, Miller Children's in Long Beach, Loma Linda University Children's Hospital, Rady Children's Hospital in San Diego and U. C. Davis Children's Hospital in Sacramento. Our wish children and their families have learned to live in the miracle of moment. You can help us to create a moment during their journey fighting cancer, the most difficult undertaking of their life by event sponsorship, event underwriting and auction donations.

THANK YOU, in advance, for your support and generosity in helping us make children's lives happier while enduring the hardships of cancer treatments. All monetary donations and event proceeds fund the cost of the wishes. We run a lean organization utilizing the talents of our volunteers. If you have any questions regarding our organization or events, please feel free to contact me. All of our sponsors will be recognized at their sponsorship level, future newsletter and on our website. Once your donation is received, we will send you a confirmation with tax ID information for your files. I look forward to hearing from you—please feel free to contact me.

Thank You!
